FEDERAL BUREAU OF INVESTIGATION

Dear Judge;

As this Court knows, on June 24, 2019, The Supreme Court of the United States ruled in "Davis" that the residual clause in 18 USC 924(c) for a "crime of violence" was unconstitutionally vague. In light of this ruling the Second Circuit Court of Appeals vacated and dismissed this defendant's conviction on the 18 USC 924(c), Count two, because Mr. Wright's Hobbs Act Conspiracy could not constitute as a "crime of violence".

Your Honor, the issue is, the Bureau of Prisons still have my Hobbs Act Conspiracy as a "crime of violence" at this time. My case manager, Mr. Crutchman as well as my unit manager, Ms. Ellis, stated that all conspiracy are violent crimes under the "Bureau of Prisons Policy statement" and that, they are not required to change that policy until there is notice requiring them to do so.

Your Honor, I'm respectfully requesting that this Court give my unit team here at USP Hazelton, written notice of the change of law in my case, so that my Hobbs Act Conspiracy can be classified as not a "crime of violence" within the Bureau of Prisons.

Thank you very much for your time within this matter, and respectfully awaits for a response. Thank your Honor again.

Matthew Wright, 77955-054
Respectfully Submitted
